

## A Few Essence Reviews

"I have had difficulty with irregular menstruation my whole life. My cycle completely stopped a couple of years ago. Within a week of using **Clear Being Aura Mist**, my cycle started, my energy is different—more lively. It also helped my husband with anxiety."

"I used **Free to Breathe Mist** for a month daily and never needed antihistamines."

"**Thousand Petals Organic Pain Relief Cream** has earned a place in our cupboard. It's been good for my rotator cuff, as well as post-surgery soreness. We are also using it on my husband's aching arthritic knees. He says it helps."

"I just love the **Safe & Sound Stress Remedy**. I use it before bedtime and it helps me fall asleep."
